

Specification

P-Gal

CAS Number: 2818-58-8
Molecular Formula: C₁₂H₁₆O₆
Molecular Weight: 256.26
Storage: 2°C - 8°C

| Test | Specification |
|------------------------------|---------------------------------------|
| Appearance: | White to Off White Crystalline Powder |
| Identity: | FTIR Concordant |
| Purity (TLC): | ≥ 98 % |
| Solution Test (1% in Water): | Clear Colorless |
| Specific Rotation: | -40.0 - -44.0 ° |

Approved:

Date: May 21, 2020
